Dear [REDACTED]

**Re: Request for Access to Information under Part II of the Access to Information and Protection Privacy Act (the ATIPP Act, 2015)**

---

On September 30, 2019, the City of St. John's received your request for access to the following information:

The number and percentage of commercial properties in the City of St. John's that are assessed using the 'Income Approach' to valuation, including:

- 1) Which specific commercial properties are assessed using the income approach.
- 2) Whether those properties are categorized as commercial realty or commercial land.

Enclosed, please see the list of commercial properties that are assessed using the income approach. Note that the total number is 1369 which is 79% of all commercial properties. No commercial vacant land is assessed utilizing this approach.

Please be advised that you may ask the Information and Privacy Commissioner to review the processing of your access request, as set out in Section 42 of the ATIPP Act. A request to the Commissioner must be made in writing within 15 business days of the date of this letter or within a longer period that may be allowed by the Commissioner:

Office of the Information and Privacy Commissioner  
2 Canada Drive; P. O. Box 13004, Stn. A, St. John's, NL. A1B 3V8  
Telephone: (709) 729-6309; Facsimile: (709) 729-6500

You may also appeal directly to the Supreme Court Trial Division within 15 business days after you receive the decision of the public body, pursuant to Section 52 of the Act.
